FEC Request for Additional Documentation

Vendor	Non Federal Account	Federal Account	Date Range	Response:	Tab
AMH	9,532.38		10/18/2002	AMH and AMS are the same company - <u>This was not on the original list provided by the FEC.</u> The only documentation found on or near this date was wire transfer to AMH for door hangers that would have been handed out by volunteers See description of door hanger below. See <i>Invoice Tab 1</i>	1
AMS		3,300.00	10/22/2002	This has already been answered. In the Finding 5 Section of the binder provided to the FEC under AMS, the front sheet shows a letter from John Rollo of Ambrosino, Muir & Hansen (AMH) which also uses the name AMS Communications, Inc. There is an invoice dated October 21, 2002 for \$15,000. It was for Strickland Piece # 1 Doorhangers (supplemental) this piece had multiple candidates on it and is presumed to have been exempt. The \$3,300 was for the Federal portion of this piece. The binder includes a copy of that doorhanger piece. See <i>Documentation Tab 2</i>	2
C & D		7,264.34	4/16/2001-11/18/2002	<u>This was not on the original list provided by the FEC.</u> Enclosed are all of the invoices, checks, and copies of what was printed. See <i>Documentation Attachment Tab 3</i>	3
Direct Mail Services		1,112.50	8/31/2001	<u>This was not on the original list provided by the FEC.,</u> Can't find any documentation on this, will try and research further.	
Grear, Margolis, Mitchell, Burns		4,400.00	10/18/2002	This was the federal portion of a Hispanic Radio Issue Ad. Original documentation of ads was provided from Grear, Margolis to counsel who turned it over to the FEC with the original binder. See <i>Documentation Attachment Tab 4</i>	4
Lauer Research Inc	29,271.82		4/15/2002-10/14/2002	<u>This was not on the original list provided by the FEC.</u> Lauer Research was a vendor used by the <u>Senate Caucus</u> , which is <u>not</u> attached to the Colorado Democratic Party, they are <u>there own</u> committee that reports to the Secretary of State See <u>Committee Registration Info Attached</u> . Their bank files were provided to the FEC in error. The Colorado Democratic Party has its own Non-Federal Account. See <i>Documentation Attachment Tab 5</i> . We have included the transaction report for Lauer Research. It covers these dates and shows that these were paid from the <u>Senate Non-Federal Account</u> .	5

Vendor	Non Federal Account	Federal Account	Date Range	Response:	Tab
Mammen, Pritchard And Associates		11,865.01	10/21/2002	These were for invoices #127, 128 and 129 for issue ads which were provided in the binder that the FEC has along with the copy of the pieces. # 127 was a \$1500 job cancellation fee. Invoice # 128 was an Education mail piece titled " Marilyn Musgrave's record on education doesn't add up". and Invoice # 129 is called "Protecting your Money"/ Stan Matsunaka has a strong record of cutting taxes. See Documentation Attachment Tab 6.	6
Media Strategies & Research	1,459,011.42	197,120.88	9/24/2002-11/01/2002	This was for TV and Radio buys for the Greer Margolis material that the FEC already signed off on. See Documentation Attachment Tab 7.	7
Reiter & Associates	8,888.00	4,120.52	9/07/2001-10/30/2002	This was not on the original list provided by the FEC. All documentation provided. See Documentation Attachment Tab 8.	8
Rothgerber, Johnson & Lyons LLP	9,776.80		6/21/2001-12/14/2001	This was not on the original list provided by the FEC. This is all attorney fees dealing with redistricting. See Documentation Attachment Tab 9.	9
The Contact Group	186,075.00	9,680.00	09/09/2002-11/04/2002	This was a program where the Party would have a surrogate dial in and record a message and then it would be sent to thousands of people automatically. The Co. Democratic Party has no records of scripts used. The FEC is still asking about ALL of the NF (\$186,075.00) and only a portion of the Federal \$9680.00. The NF should have been the allocable portion of the total expenditure. See Documentation Attachment Tab 10.	10
The Strategy Group	625,015.02		6/14/2002-10/22/2002	This was not on the original list provided by the FEC. The invoices in question are all from the House Majority Project and the Democratic Senate Campaign Fund which are separate entities to the Colorado Democratic Party and report separately to the Secretary of State. Their bank files were provided to the FEC in error. See Documentation Attachment Tab 11	11
United States Postal Service	64,910.73	7,000.00	4/29/2002-10/29/2002	This was not on the original list provided by the FEC. A substantial amount of this postage was from the House Majority Project and the Democratic Senate Campaign Fund. We will try and research this a little more. Documentation is provided for the remainder. See Documentation Attachment Tab 11	12

★ ★ ★ ★ ★ 68TH ANNUAL JEFFERSON/JACKSON DAY DINNER ★ ★ ★ ★ ★

Welcome to the Colorado Democratic Party 68th Annual Jefferson-Jackson Day Dinner

Tonight, with our honored guest U.S. Senator John Kerry, we celebrate our historic election victories last November. Your support and hard work were instrumental in winning the State Senate for the first time in 40 years and every House and Senate seat in Denver for the first time in 52 years. We also won outside the metro area with stunning victories in Gail Schwartz's 3rd C.D. Regent race and Jared Polis' statewide victory. Additionally, we cannot forget Evie Hudak's exciting win in the 2nd C.D. Board of Education race. Along with the Senate victory, we gained two seats in the House, narrowing the margin there. Together this ensures that moderation is now a part of Colorado State Government decision-making.

Tonight we also celebrate the unity that brought forth that victory. We salute Colorado Labor 2000 and the amazing work they did to help us complete 800,000 phone calls by Election Day, produce 5,000 Election Day volunteers, and achieve a comprehensive get-out-the-vote effort.

Tonight we kick-off our 2002 efforts to retain the Senate, win the State House, retire Owens, Allard and Coffman, and redistrict Colorado's poorly apportioned Congressional Districts. Thanks to your generosity, we have raised \$100,000 in sponsorships alone for tonight's dinner. Thank you to our major sponsors: UFCW, SEIU, the Colorado AFL-CIO, AFSCME and Tom Baron. Table sales and program and auction proceeds, in addition to our benefactors, will make this the most profitable Jefferson-Jackson Day Dinner ever.

These resources are crucial, but above all, let's remember that ideas matter. We were the only State Democratic Party in the nation that picked up a legislative chamber for the Democrats and we did it because we addressed the mainstream issues that Colorado working families care about. Working together, we will continue to win, and bring better, more responsible government to our fellow citizens.

Tim Knaus, Chairman

Marilyn Musgrave's record on education doesn't add up.

Marilyn Musgrave claims that she is an advocate for better public schools. But her record in the State Senate gets a failing grade:

- X** Musgrave repeatedly voted against funding for schools and libraries.¹
- X** She was one of only 6 Senators to vote to limit access to full-day kindergarten.²
- X** She opposed efforts to attract high quality teachers.³
- X** After the Columbine shooting, she voted against school anti-violence programs.⁴
- X** She voted against a bill that would make child care facilities safer.⁵
- X** She was one of only 4 Senators to oppose character education courses that teach our children the values of responsibility and respect.⁶
- X** She voted against funding for Colorado State University, the University of Northern Colorado, Northeastern Junior College and Lamar Junior College.⁷

Colorado students deserve better.

Stan Matsunaka Has a Strong Record of Cutting Taxes

As a proven fiscal conservative, Stan Matsunaka is committed to making government more efficient and putting money back into your pocket.

Cutting Taxes for Working Families

During his time in the State Senate, Stan Matsunaka has worked to help working families—voting to reduce taxes 32 times.¹ He has consistently voted to **lower income taxes, sales taxes and property taxes.**² And he helped abolish the Colorado marriage tax penalty.³

Building Roads and

Creating Jobs

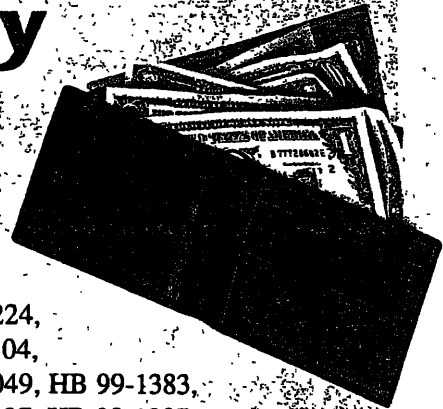

Working across party lines, Stan Matsunaka joined Governor Bill Owens to create and pass the Owens/Matsunaka Transportation Act.⁴ This initiative would build and improve roads all over our state, spurring economic growth and helping farmers transport products more efficiently.

Making Government More Efficient

Stan Matsunaka has been an innovator in finding ways to streamline government agencies and to provide better service. He sponsored legislation in the State Senate that would provide incentives for government agencies to eliminate wasteful spending.⁵

**Stan Matsunaka
never forgets that
it's your money**

ALSO - here is new information you should know. The CO-04 385K was always just for mail. With that, attached is an invoice for

CO-04 television. The money should be in your account later today. Please send it on to Media Strategies and Research.

Thank you for your continued attention to all of these details. If you have ANY questions, please call me at any time.

Thank you.

Per our discussion, it seems that the 385K we sent a while ago should be applied to the \$53,922.77 worth of invoices we just got from Mammen Pritchard. The total amount of all 8 of the invoices came to \$53,922.77 but only \$50,053.32 should come out of the 385K. The remaining \$3,869.45 should be applied to CO-07. Unfortunately, this was not clear until the total \$53,922.77 went out.

Assuming all this makes sense - you should have a remaining \$50,053.32 sitting with you that will go to the new CO-07 invoice you should be getting in the next day or so. I will then send you the total of that new amount minus the \$50,053.32. It is my great hope that all this makes sense. Please call me with any questions.

Subject: RE: CO. FEC Audit

Darryl,

The Contact Group provides telephone services to its clients. Most of the time, my Client calls into a recording line and records a GOTV message which is linked with a database provided by my Client. We do not see a script. The recorded GOTV message (normally, "Hi this candidate Joe/Jane I support more jobs, peace, the environment etc..... Please go vote for me on November ___ with a disclaimer at the end", gets linked with the database and the message is sent out to the recipient's telephone number.

I hope this helps

David,

Hope all is well... Did you ever find scripts for the Colorado Democratic Party as we discussed last year? We are in the final days and they are basically giving us one last shot... They are questioning \$197,000 in invoices (which of course there are no records of at the State Party) between 9/9 and 11/4/2002.

Where did we end up on this?

The FEC sent subpoenas to a bunch of the vendors that CO used in 2001-2002 that we did not get all of the

information that they wanted from the audit... Were you guys one of them? We're trying to tie this down as they won't tell us who yet.

Darryl,

In order to obtain the requested scripts of the below referenced invoices, please provide the Job number which starts with D00. For example, Feeley, Micheal, Francis, 2183 for \$895.01 was Job Number D00240.

Thanks-

David

Subject: CO. FEC Audit

David,

Thanks for returning my call, below are the transactions from 2002 in question from the FEC. The blue items were paid from a federal account and the light red was from the non-federal account. The ones that were paid on the same day were likely from one invoice and should have been paid from one account ... (but they weren't and that is part of the trouble with the FEC)

Thank you for your assistance in this matter; if you have any questions please call me at the Colorado Democratic Party at 303-623-4762 or on my cell at 602-295-7598.

Thanks,
Darryl Tattre
